What's really going on is that we are seeing Satan trying to push Christian faith out of the MAGA movement. Those who love Jesus love the Jews. Read my Bonhoeffer book on that. Let's pray Tucker repents of this grievous misstep. The American Founders were inescapably Christian.

Activism

In 2000, Milstein and his wife Gila founded the Adam and Gila Milstein Family Foundation (MFF). The organization sponsors education of students and young professionals to identify with their Jewish roots, and gain knowledge to advocate for the State of Israel and the Jewish people.[9]

Milstein is a co-founder of the Israeli-American Council.[8][10][11][12] In 2015, he was named chairman of the group.[13][14][15]

Milstein also sits on the boards of StandWithUs, Hasbara Fellowships, and PragerU.[16] He previously served on the boards of Israel on Campus Coalition, Jewish Funders Network, and the American Israel Public Affairs Committee (AIPAC) National Council.[17]

In June 2015, Milstein joined with Sheldon Adelson and Haim Saban to organize the inaugural Campus Maccabees summit, which opposes anti-Semitic groups and activities on college campuses in the United States.[18] Milstein strongly opposes the Boycott, Divestment and Sanctions (BDS) Movement,[19][20] and has had several op-ed pieces published on this subject.[21][22]

Milstein and his wife Gila are co-founders of Sifriyat Pijama B'America, which provides free monthly books in Hebrew to Israeli-Jewish American families in the United States.[9] In

Important to understand. If Gaza Christians believe Israel will not conduct its war in Gaza City, they are mistaken. They have implanted themselves in a battlefield. They are part of the battle. If they are looking for martyrdom, well...

Khalil Sayegh @KhalilJeries · 23h

The churches in Gaza have decided not to evacuate their buildings in Gaza City. Christians are choosing to remain, even if it means risking their lives, rather than leaving their churches.

Ah, you're working hard to fight antisemitism, I see.

Just another casual threat to murder Christians. It'd be interesting to know who's associated with the Jewish Policy Center. It'd be even more revealing to know what Ted Cruz, Speaker Mike Johnson and other self-described Christians in the congress think of it. Maybe someone will ask them.

I considered making this my pinned post instead of the music stuff. It REEEEEALLY needs to sink in with Prager and Jew Policy Center.

Speaking of the rules of war, here's one:

If you fucking Jews insist on continuing to kill unarmed Christians in Gaza/West Bank, we'll start picking off Israel's hundreds of Unit 8200 operatives embedded here in the United States. And their families. We already know where x.com/thejpc/status/... Show more
